

## PI BETA PHI

We kicked off the year of Simply Sisterhood with wine & cheese on a lovely fall evening on the patio at member's home. This event is always such a great way to reconnect and catch up.

In December, we dropped our angelic halos and let the devils come out at our annual gift exchange. We always have a wonderful time 'stealing' gifts from each other and sharing our traditions while enjoying holiday treats.

Our book club meets every other month (or so) and we have read some fantastic books so far-

The Vibrant Year by Sonali Dev, James, by Percival Everett, and Lady Tan's Circle of Women by Lisa See. Next up is I Know Who You Are by Barbara Rae-Venter.

This year, we're holding Founders Day at the Lodge at Citizen's Park in Lake Zurich. All sisters are welcome and can find club and event information on our Facebook page.

We'll end the club year with our annual June Salad Supper at a member's home, which is always a nice event, and we can chat with our sisters before summer projects and travels begin.

## SIGMA KAPPA

The Chicago Northwest Towns Alumnae of Sigma Kappa started the year off with dinner at Deer Park's California Pizza Kitchen in September. We participated in our annual "Walk to End Alzheimer's" in October - our sorority's philanthropy. Founders' Day was celebrated at our November meeting.

Our big fundraiser of the year was our Holiday Auction, held in December. Since January is usually cold, we stayed home in our pj's and met by Zoom! In February, we donned our sleuthing caps,

and solved a Murder Mystery! March found us making wreaths for the doors of residents at a local senior center. We also had 11 members meet for dinner at Lou Malnati's on Badge Day, and several members attended the Tea at the Garlands. In April we kicked off Earth Day with an activity presented by Amanda from "A Greener Good" and learned how to make the world a better place together. We also helped at Feed My Starving Children.

At our last meeting in May we'll be wrapping up the year with yummy treats and installing our officers for next year. We continue to support our Sigma Kappa chapter at Marquette University in Milwaukee. Several members will attend their Special Ladies Tea in the spring. We enjoy getting together every month, and this year was no exception.

## SIGMA SIGMA SIGMA

Tri Sigma continued our new approach in which each member(s) volunteered to claim a month and would oversee planning the date and activity.

We kicked off September/October with catching up at a local restaurant and ended the year with a holiday party/ornament exchange.

In 2025 we gathered via zoom to discuss Brooklyn by Colm Tobin.

March was filled with an evening at Lou Malnati's and a weekend afternoon of Food-Fun-Sisterhood. April included celebrating Founder's Day hosted by the NorthShore chapter and we will end our year with a Potluck.

Tri Sigma will be having Convention this June in St Louis.

## ZETA TAU ALPHA

The alumnae women of the Northwest Suburban Chicago Zeta Tau Alpha chapter have had a busy year celebrating sisterhood and service. We gathered for potlucks, picnics, brunches, dinners, movie nights, and even a game night. We celebrated Founders' Day and Friendsgiving.

We connected with other Zeta Tau Alpha chapters in the state through a virtual book club and met up with another chapter for an outing at the Art Institute of Chicago. We also held educational programming with guest speakers, including a member author, to share her experience publishing her books, and a retired police officer to educate the members on scams targeting seniors

Zeta Tau Alpha's national philanthropy is breast cancer education and awareness. One in eight women in the U.S. will be diagnosed with breast cancer in her lifetime, so this cause is personal. Breast cancer touches many lives. [This year, we](#) supported four local American Cancer Society Making Strides Against Breast Cancer walks by staffing the Survivor Tents and made and gave away gift bags for the survivors participating in the walks. We collected toiletries for the Crisis Center, bras for I Support the Girls, and books for the Book Bank. In December, we held our annual Make N Bake Auction to raise funds for a collegiate scholarship.

We will wrap up the year with our annual Zeta Day and a potluck dinner.
